Dear Mom and Dad,                      Tues. the 11th

whether they have gotten the forms they need too.  
Please send my W-2 form when it comes from  
Zone Marking.

We just got our room cleaned. It looks real nice.  
Today is the day to get clean sheets, pillowcase,  
and towels too. I put new bulbs in my desk light  
this morning. I told Mr. Ackerman (assistant to Mr.  
Eddinger) downstairs about my desk light yester-  
day, but I told him the wrong room. I've been away  
from school long enough so that any facts about  
school life have faded away. When I tried to think  
of my room number, 323 came to my memory. I  
went down this morning to correct my mistake. I  
went to see Ackerman, but he had already given

I'm sorry, Mom, I had to throw away one of the  
sandwiches, because I wasn't sure it would keep  
another day and I haven't been hungry enough to  
eat it.

I'll check on the deadline for renewal of financial  
aid this week. And

possibly I'll get the necessary forms while I'm at it  
(i.e. if they are available).

a slip of paper to the janitor with 323 on it. I found  
the janitor and he helped me out. He gave me a  
couple bulbs and told me to tell him if it was any  
thing else. It must have been the bulbs, because  
the light's really bright now. When I first put the  
bulbs in though, the front bulb flickered a little un-  
til I repositioned it.

Spring recess begins Friday, March 3 at 2:00 pm. for  
me and officially at 5p.m. Classes resume at 8am.  
March 13.

Everybody in Psych 21 (Learning Experimental)  
gets a rat to take care of and to use in experi-  
ments.

I went to see Mr. Eddinger's secretary yesterday  
because my new class schedule conflicts with my  
old work schedule. I checked with his secretary to-  
day and she says that he says I can work all day  
Thursday instead of Tuesday afternoon. I went  
downtown to the Penna. Tax office today. They say  
they can help me as soon

It only took about 3 mins to inflate the top of my  
chair Sun. night and 3 mins last night to inflate the  
bottom.

I ran 4-5 miles yesterday afternoon plus I've  
walked downtown both today and yesterday. I in-  
tend to continue the running to be in shape for  
track.

me said to bring my W-2 forms and Md. and Feder-  
al forms in as soon as I get them. and he says he'll  
help me with them. I have to check with them first

Love, Mike
