Hot. Clear.

M. took all a.m. to clean house & had some left over to enjoy the early afternoon hours on.

Bobby had M. prophesying measles again for he raised his temp to 101° but the fever dropped off at night.

What I did to-day! Such a list - driblets, odds & ends, errands, digging, cleaning fish, studying, reading, drying children after bath, submitting my head to the monthly tonsorial expert, Mrs. R.
