Category: **Document**

Dear Mom and Dad, 4-2 [1974] Tues.

Yes, It snowed quite heavily on Friday. We had 3 or 4 inches when it was through. It changed to rain by Saturday then back to snow that evening. Some clearing on Sunday and Monday morning then back to rain until this afternoon. The sun's shining now and its in the 50's.

I got a 94 on my organic test last Wednesday. I have one more test the 10th then a final on the last day. Also a final in sensory during the last week. I hope Reuben comes back. (I hope he is all right.) I'm sure I would have enjoyed Moni's play also.

Wednesday

The weather was good today. Temp into the 60's. I considered your letter well written, Mom. I've got myself on kind of a "strict schedule", right now to get some work done so there's not much to say.

I lead a rather passive existence at most times. That doesn't mean anything since ever thing is relative (passive as compared to what). Right now I don't have time for abstractions.

Thinking of you. Love, Mike
