Title: **1974-02-17 Mike McCormick letter to parents**

Category: **Document**

Provenance:

Person:

Date:

Dear Mom and Dad, Sun 2-17

How are things at home? Have you gotten any more snow? Are Ruff and the cats doing okay?

I have a big organic lab this tuesday with 12 unknowns, and an organic test Wednesday. Right now I have to do some organic problems.

Next week I have a Midterm test in sensory psych. In organic everyone has to do a special project the last few weeks in lab. Everyone will have some things different (a product to synthesize or a reaction to carry out or study of structure of some organic compound).

Well, I really should be doing organic problems. I just wanted to try out my new "stationary" (a writing tablet of 250 sheets for 78¢) and to say "hi."

I went downtown Friday and got the tablet, a pair of pants, and a shirt. I needed some paper on which I could do my organic problems. This will do.

The best to you. I am looking forward to seeing you in a couple weeks. Love,

Mike
