6:10 Called at Green's & at Hardings.

Negative culture reported. M. so relieved she cried. Peggy wants to get up but stiff in body from the 20,000 units of antitoxin the M.D. gave her yesterday. Bobby got 10000.

Calls - Harding, Barber, Vincent, Yancy.

We are overjoyed over the result of the culture & over Peggy's condition. Now it looks as if we could have Christmas together & not have to separate for who knows how long.
