Mom and Dad

I got your letter today, Mom, with the article of the football game and cross country.

It's really great to hear from you all and so often too.

I will be pretty busy the rest of this weekend and for some time I suppose. I have a math quiz next week (the second one) Got an 85 on the last one. I have good things to say about that class. Not that much time now though, or I would tell you about it.

I'm still running in the morning--everyday.

I have done two washes so far (not including a wash of underpants and socks in the sink) and am due for another one tomorrow. The best time for me being Sunday morning. I have plenty of money (around \$30).

----- END OF PAGE 1 -----

I've been eating very well, I think. Guess what, I got my chair pushed in for me at supper (I think, last week).

Dad, what I was speaking of in one previous letter (Fearing hate.) wasn't of the last fishing trip. It was awhile ago. It was in the living room. Bill was there and what I said, I said very clearly. Too clearly, perhaps.

Bye Bye

I've got other letters to answer and much work.

Love,

Mike

P.S. I guess you've gotten that form I sent by now. Haven't you?
