Dear Mom and Dad,

Thank you very much for your time and helpfulness in filling out the form. I think they (in the treasurer's office) will accept it.

Someone (Mr. Wm L. Baker) in the Administration building was able to take care of the oath that came with the form. I didn't have to go to a Notary Public. I didn't have to be present to take the oath either, I just signed my name and gave the oath form to Mr. Baker's secretary.

I have a test in Math tomorrow. Tests in Biology and Bio lab Monday. I'll be busy [notice that I've been using the word "busy" rather frequently lately. I may not

be extremely busy. But I do have a lot to do. A limited time to do it in. I have to study whenever I'm free from more important things like eating and sleeping. Well, anyway after classes and work is out of the way it seems that there are only more classes and work.]

I find sufficient time, but I will have to study as much as I can during that time.

I feel I'm getting in pretty good shape from the running. Relationships are looking up.

I have gym (archery) in 45 mins (2:00) so I'll do a little reading before then.

Love,

Mike
