Dear Mom & Dad,                      Mon. 17th [April  
1972]

(tues.) otherwise, that is if Seth Keller (the coach)  
can't fit me in either, I'll be able to come home the  
28th of April. Don't count on it, though.

So far as I know I'll have a test on Friday the 28th  
at 11:00am - 12 noon. So feel free to come up the  
28th just after noon.

I'll let you know in a day or two how things are go-  
ing.

Tues. 18

I'd better get some studying done now.

Mary MacIntosh linen service will be provided dur-  
ing May Term for a fee of \$4.24. I'm sure that's  
more than I would spend washing my own sheets.  
As long as ya' have some to spare I'll take 'em from  
there (home).

Love, Mike

PS. Send some stamps please? (I've only got one  
left)

I'm going to the Sheraton tonight. A dinner place  
with a band. I played pool most of the afternoon

P.S.S. Thanks for the bank book.

with the guy that's giving me the ride out & the ride  
back. He's in my learning experimental psyche  
course. He says I could probably get served  
(drinks) easily but I say no thanks to that part of  
the deal. They're a little expensive anyhow. And as  
he said drinks (booze) don't make the time. Also,  
I'll have to stay in shape because I talked to Jim  
Burkett about going back out for track. He's says,  
he'd be glad. I don't (and he doesn't either) expect  
that I'll get in real good shape. But I said I want to  
at least get into the spirit of it.. So I might be here  
till the end of May (right straight through).

Most likely though I'll be able to come home for a  
break between this Spring semester the May Term.  
If I was to get in good enough shape I could maybe  
run in the meet against Juniata (at Juniata) May 2
