Dear Mom and Dad, Sept 17, 1973

Thanks for transferring the money. I'll need \$50.00 more transferred. I need it for instruction in meditation. Please let me know how much money I have left in my savings account. I don't need to know about the transfer right away.

The curtains are great. They fit just right. They are unravelling a good bit though. Two or three (horizontal) threads have come off the bottom of each curtain.

I have my first test this morning. In organic. Organic is the only course in which I have tests. The others I have papers.

The culture of the orient near east class is taking a trip to New York to visit some museums on Fri Oct. 5. I think I'll go. It's a bus trip and there is no fee except paying for your meals.

Not too much excitement. I'm taking it easy. Wish me luck in the results of my test.

I'm reading an interesting book in Mysticism Kundalini by Gopi Krishna. I'll let you know more about in future letters.

Hope everything's going fine down that way.

Love, Mike
