Dear mommy and daddy,            May 1st Glory[?]

I read a couple of chapters of my Bio text book this morning.

Got - Apr. 30th - letter, Dad. Thanks for the track article.

Jim Burget, Charlie (Chuck) McColl, and I were only distance men at practice yesterday. We ran 440's - 7 of them. I made them all under 70 seconds. 67, 66, 65, 65 break 69, 69 break 63 broken

I feel great today. Took a very hot shower aft. practice yest. and missed supper. I got a submarine sandwich orange drink and strawberry sundae so never fear.

I think I'd like to go off Board next year. It'd be easier.

It's still pretty cool here. Sounds that way there too. It's nice to know that God is taking it easy. I sure hope those backs will be all right.

I got a letter from Kathi Earp today. Says shes going to take life saving in a couple weeks for a week the conoe instruction few weeks latter Then she wants to-and has the job pretty well lined up-work at camp this summer as a type of red cross assistant or instructor and life guard (half & half) She's not sure which camp yet though.

Well as things are going they look like they will.

See ya

Love,

Mike
