Dear Mom and Dad,

11-6-73

Sure was good to see you. It was like another day in the life but was special or rather it was like all present and there were no past or future (pressures.).

There is only present. That is not hard to believe, only hard to convince one'sself. (sometimes).

I enjoyed your letter Mom that just got here. Lots of good news.

I just finished off the last of the cookies. I had a long chem. lab today (missed lunch). There weren't many cookies left. I had shared them around.

Less than two weeks and I'll be ready to come home. I think I can safely say that Mon. the 19th at 10 or 11am would be a good time for me to be picked up. I don't know what you have going for you on Monday so I could wait till Tues. I would be much happier if someone could come up Monday. I'll only have one class on Monday anyway (at 10-11am) which might not last long. On Tues my only scheduled class is from 3 to 5 pm and I'm 100% sure that very few people will go.

See you again soon.

Find a happy medium. Make it. (to where your going)

Love, Mike
