A last little hello from your friendly neighborhood test taker before y'all come get me.

Hello Mom and Dad,      Jan. 19 [1971]

I sure hope Bill will be alright. Thank you all for the prayers. I've been trying to do some of that myself lately.

Did I tell you I got a 90 on my last Math test (Exams haven't started for me yet -- one Biology tomorrow, English (not a real Exam) Thursday, and Friday Math). If I already told you I don't want to seem like I'm braggind so in that case pretend I didn't tell you this time. Well I hope your trip to Buckhill falls turns out okay. Wishing you a good time. Love, Mike
