Dear Mom and Dad, 10-31-73 7am

I'm glad you can come Sat. Anytime will be all right. There has been a setback with Jill. I'm part of the setback. So I'm setting back. I had another wild bunch of dreams last night. Jill was in one of them.

Another chem. test today in 3 hours. I'll be able to get off Satu. even if I end up working a couple hours in the morning.

I was talking to a guy last night was would like a job like the one I've got. The money would help. He could take my place on some weekend I might want to take off.

Last night I was going to go to Bermuda Plane and all. Never got there while the dream was in progress. Was a series of just about being ready and just about knowing what time to be there, where the plane left. By about the 2nd, time in the series Kim Davis was going too.

It will be good to see you.

We won't miss.

Love, Mike

P.S. Take it easy.
