Dear Mom and Dad, 10-24-72

to it considering it is the only paper I have to write between now and the end of the semester.

Thanks for sending my renewed draft classification (before last weekend) and thanks for sending the driver's license renewal application (today).

Love,

Mike

I'm sending the driver's license renewal application back to you. It is complete and ready to be sent except for one thing. In the box on the back where it says "Consent of Parent or Guardian, When Applicant is Under 21 year of Age," would one of you please sign and put the date on it put the application in the envelope (the check is already there) and sent it on its way. Thank you.

Hi Joan, I hear your back from New York. I hope you enjoyed it.

It snowed ere last Wednesday and Thurs. morning. / I'm still going well in Physics.

Chemistry is continuing to be a challenge. I've got a touch of a cold.

Hey Dad, I hope you do okay in your test and I hope you get through the week okay.

I got a 90 on my first Embryology test. Embryology is fun. We break open chicken eggs and look at the developing embryo. We even get to mount permanent slides with the embryo at various stages.

More work is coming up in Personality. I should start thinking about my research Proposal. We don't have to do any actual research just the proposing. I'll try to have fun with that knowing that I can pull a considerable amount of energy in-
