Wednesday, April 16

47° Cool. Rain

Washed - beginning at 7 & ending by 10 - as it was raining. We dried clothes inside.

Started up the furnace again last night & we were glad of it this morning.

I took the children to school & brought them home.

Also to M. & Mrs. Goss to Mrs. Carlsson's to Study Club. & took 3 ladies besides M. home afterward.

M. & I took Mrs. Kelly with us to Van Horns' in evening to prayer meeting, pretty nearly a family affair, as everyone present save us there were related. 10 adults & 5 children present. Spoke on same subject as last night.
