Dear Mom and Dad

Its Sat. morning. And I really don't feel like writing this letter. I'll be home Wed. Hopefully.

Phil. Final is optional and it would be on Thurs. if I had to take it. I don't think I'll have to but I won't know for sure until Monday. I don't know that my writting on Monday the letter would get there before Wed. So just come up Wed if you don't hear from me. I'd probably have to call you to let you know that I had to take the Phil test if that's the way it goes.

I have a B in English and no final. I finished for the first time, a stat test on Friday morning. I may get an A on it. That could bring up the D and C.

----- END OF PAGE 1 -----

All's left is a final in stat and Bio. I'm going to the library to study a few hours to-day. Stat is Tues. -> 6pm Bio Wed. 1:30pm

They are usu. meant to last 3 hrs. But I'll very likely be out of Bio in 2 hrs or less.

I took yesterday off after the Stat test. Play Badmitton for more than an hour, laid in the "sun" a bit (read a little Bio then). And bowled last night at the TKE House. Was back at the dorm by 9 and in bed by 11. for some rest that it was about time I got. Back to the books today.

Love, Mike
