Dear Mom and Dad,

Nov. 3, 1970

Dave just left. We were talking for quite a while. I have plenty of time today. Not really pressed for time. Went to my first Chapel today. I have to get out of work (maintenance) an hour and a half early to do it.

Is Tom still loving the same place in Baltimore. Maybe I'll write him some day soon. I'd like to see him anyway. I guess it's been quite a while.

Bye for now.

Love,

Its kinda rainy today so I think I won't go downtown. Yes, it has been quite rainy here lately, pretty constant too.

Mike

I've earned \$178.17 up to the last "pay check" for work study date - Oct 30. Actually they send a receipt or notification of the amount that I earn in the two week period. And the total amount earned thus far---plus the \$275.00 that was paid at first. So now there is \$453.17 toward this semester's tuition not taking into consideration the loan,

grant, or discount.

Frank didn't work today so I haven't asked him about the possibility of a ride.

"Patton." I was - oh yeah, just today. I was talking to one of the guys on maintenance about "Patton." He brought it up.

Let's see. I came in on the movie when Patton was in one of his offices. A small office. I think he was laying down on a bench or had lain down after talking to that friend of his.-> The good natured little guy who seemed like a chaplain. I forget most of the plot 100 (besides not remembering too well where I came in) esp. after coming in on it after it had already started.
