Dear Dad and Mom,

2-20 Tues [1973 based on calendar]

Yes, I'm going out for track. Pretty sore today from the first practice yesterday. We must have run 7-8 miles. /I will take the bus. Tell me if that's all right. I will arrive in Balto. greyhound station 8:50 pm on Fri. March 2. (if all right). Why don't you let me do that.

No lectures on the oceanog. course yet. They start March 28.

2-21 weds

It will, as you say Mom, save you, Dad, from so much traveling in a short period of time.

I had two tests today (Chemistry and Abnormal Psyche). They weren't too hard.

Seth Keller, our track coach, told us yesterday that there will be an indoor track meet this Friday. (He just got the invitation that morning.) I decided to go and run the 660. It's an indoor meet on a 160 yd tartan track. I think it is at Bloomsburg or some college beginning with a B.

We have a girl on our track team. I guess she's going to be a sprinter. I really don't know what the situation is, maybe she's just trying to get in shape.

One more test before Spring Recess. Its in Physics next Weds or Thurs.

See ya.

Love,

Mike
