Hello Mom and Dad,                      Jan. 25 [1972]

I'm glad you got the PCS [(Parents Confidential Statement (form))], Dad. It's a shame you don't have to fool with stuff like that (too often), Mom.

I've signed up for the May Term. I chose a Psyche course that will go toward filling my requirement for a Psyche Major. It's a course called Behavior Modification Techniques for Children. It's in the form of a seminar and involves experience working with an elementary school child.

It's possible for me to be finished with my major and all other requirements by (before) 2nd semester Junior year.

I may have a lot to do; and sometimes it gets me down but it keeps

me "healthily" busy, too. So far I haven't had so much to do that I can't get what I need to get done. I'm not sure how it's going to work out in the long run.

May Term

May 7 Sun Dorms open 2 pm.

8 Mon Classes begin

June 2 Fri Term ends.

Love,

Mike
