Friday, January 31

A beautiful clear morning after some mists had risen. Cold driving to Hyattsville. Stopped at garage & store.

How little thinking most folks do! This diary of mine is barren of everything but the details of daily life because most of my thought is on those same details. So must it be with most folks, especially with those who do little or no cultural or religious reading!

Robt. said, "Peggy tells liars. I tell stories."

We were on the point of spanking Peggy when Robt rushed up crying trying to prevent. Peggy gave in so needed no spanking this time.
